Steve Davis called the meeting to order to consider Alabaster's request to rejoin Metro Baseball. After a thorough discussion, Billy Crandall made a motion to accept Alabaster back into Metro effective immediately and Judi Wurm seconded the motion. Trussville voted against. All others voted for. Steve Davis will inform Alabaster of the Board's decision and provide additional feedback that, due to its relatively remote park location, Alabaster's hosting of a future tournament is unlikely.

The next Metro Board meeting will be held on March 7, 2010.

There being no further business, the meeting was adjourned.
